DESCRIPTION

Current law requires the county sheriff to forward the county's sex offender registration list to the law enforcement agencies of any city, town, or village in the county. The proposed legislation would require the list to be forwarded to the law enforcement agency for any college or university located within the county.

The proposal would also require sex offenders to include in their registration information whether they are enrolled in a college and to update their registration information within seven days of changing their enrollment or employment with a college within the state.

This legislation would not duplicate any other program and would not require additional capital improvements or rental space.

This legislation is federally mandated.
